The Art of Folding the Future – Issey Miyake

"Curiosity and Happiness are at the core of my work"
-Issey Miyake 1938 - 2022

October 17 – December 31, 2025

Enter a world where design becomes philosophy. This exhibition honors Issey Miyake, a creator who never settled for the ordinary. His iconic pleats and experimental vision continue to inspire generations to pause, reflect, and reimagine what design can be.
